

BEAUMONT & FLETCHER

M13

Burnt gold

A small shield shaped mirror executed in a restrained formal manner with typical neo classical decorations including a simple carved beaded frame decorated with acanthus scrolls and swags of pendant flowers and surmounted by the classical Greek emblem of an Anthemion. All our mirrors are carved and gilded by hand and glass is subtly aged to create an illusion of antiquity.

Other options available:

- various colours and finishes
- plain mirrored glass
