

BEAUMONT & FLETCHER

M23

Silver oxide

A handsome swept frame mirror in the early 18th century Florentine style with strong, clean, almost modern lines.

All our mirrors are carved and gilded by hand and glass is subtly aged to create an illusion of antiquity.

Other options available:

- various colours and finishes
- plain mirrored glass

Dimensions:

Height	90 cm
Width	80 cm

Also available in bespoke sizes. All sizes are approximate and may differ slightly. Please contact us for further details.
