

BEAUMONT & FLETCHER

M24

Distressed gold

A very decorative rectangular 18th century style looking glass, the frame intricately carved in a rich tracery of leaves and scrolls, with mirrored panels containing a simple inner frame.

All our mirrors are carved and gilded by hand and glass is subtly aged to create an illusion of antiquity.

Other options available:

- various colours and finishes
- plain mirrored glass

Dimensions:

Height	120 cm
Width	92 cm

All sizes are approximate and may differ slightly. Please contact us for further details.
