

BEAUMONT & FLETCHER

M30

Tarnished silver

A dramatic large mirror with smaller panels and an inner frame yet having a strong architectural design.

All our mirrors are carved and gilded by hand and glass is subtly aged to create an illusion of antiquity.

Other options available:

- various colours and finishes
- plain mirrored glass

Dimensions:

Height	170 cm
Width	125 cm

Also available in bespoke sizes. All sizes are approximate and may differ slightly. Please contact us for further details.
